

HARTLEY ROAD PRIMARY SCHOOL

CIRCULAR 02 / 2016
30 Rabi-ul-Akhir / 10 February 2016

Respected Parent / Guardian

Peace be upon you

www.hrps.co.za

PREFECTS 2016

Our prefects were inducted at assembly on Monday morning. Congratulations to those selected. The selection process is as follows:

1. Class lists are prepared and sent around to both form and subject educators to tick the names of potential prefects for the following year. They are then put on probation before the final induction.
2. A criteria list is attached to each class list and these are:
 - a. behaviour
 - b. leadership qualities
 - c. punctuality
 - d. courtesy
 - e. responsibility
 - f. absenteeism.
 - g. academic competence.

HARTLEY CHARACTER AWARDS

Earlier this month, those learners who did not receive any misconducts for 2015 received an "HRPS star character" badge. The first cycle of our Character Program for 2016 ends in April, and those learners who did not receive any misconducts during this cycle will receive an award.

STUDENT LEADERS

As part of developing leadership qualities in our learners, we have appointed male and female student leaders in every class. They serve for a period of 4 months.

GRADES 4 and 7 PARENT ORIENTATION

The parent orientation held at the end of January was well attended. We thank those parents who sacrificed their time. We are sure that they benefitted and that their queries were answered satisfactorily.

FOUNDATION PHASE MUMS' TEAS

What a wonderful gathering of mums at an interesting and informative session! Thank you mums for your "bring and share goodies". Educators had the opportunity to meet and chat with mums and to highlight the grade requirements.

HARTLEY FAIR 2016

Preparations are underway for the much awaited calendar event scheduled for April 30 and May 1&2. Fair bookings open from 1 March. The fair is one of our major fund-raising activities that help us to keep school fees low. We are counting on your generosity and support.

WATER HYDRATE – Drought SA 2016

This NGO was formed by volunteers in the community who responded to the urgent calls for water from people in severely drought-stricken areas in South Africa.

Mr Yaseen Theba and Mr Yusuf Abramjee are co-ordinating this project by providing millions of litres of water. The provision of water has brought much relief to areas in KZN and the Eastern Cape. There is an on-going need for water. Your donations are appreciated. HRPS has embarked on collecting funds for this initiative, and water was distributed in Vrede this weekend.

LATE COMING

Many parents are still bringing their children late to school. Please be the correct role model.

UNIFORMS

Although numerous circulars were sent out regarding the uniform, and most recently the Hartley School Uniform Policy dated January 2016, learners are still attending school not adhering to this policy. As stated in the policy, such learners will be sent home.

LOST AND FOUND CLOTHING

All uniforms found until 2015 were sorted. Those items with names were returned to the pupils, the balance will be given to charity. Please ensure that all items of clothing are labelled. Learners who have lost clothing must check the lost of found racks located in A Block. All swimwear, towels, etc, left behind at the pool area, will remain there.

DISTRIBUTING LUNCH AND OTHER ITEMS DURING THE DAY

Kindly ensure that your children are responsible for bringing their lunch, homework, projects, etc to school, as we do not have the manpower to receive and distribute items to learners, nor will they be allowed to phone home, as this also causes disruption to the class.

CRICKET SIXES

An inter-class cricket sixes tournament for Grade 7 was played during the breaks, with the final on Feb9. Congratulations to Warriors (7SD) who won all their matches. Wolves (7SVM) were the runners up.

INTERCLASS SWIMMING GALA

The gala took place on Feb9, and Grade 4LS was victorious - budding swimmers: Muaaz Kader, Sahal Patel, Rayhaan Ashraff and Uwais Sayed.

DIARISE: FORTHCOMING EVENTS AT HRPS ONTO THE AMS CALENDAR

Grades 4-7 Mums & Daughters programme	- details to follow
