YEAR PLANNER

Every learner will be issued with a calendar courtesy of AMS. The AMS activities are reflected thereon. Please insert the school activities as attached to this newsletter.

GOVERNING BODY BY-ELECTIONS

A notice convening the by-elections will take on 10 March 2016. If the meeting is not quorate, then we will meet on 17 March 2016, where no quorum is necessary. We want to thank Dr Omarjee, Mr I. Paruk and Mr I. Hoosain for their services, and welcome the co-opted members, Mr S. Ershad, Mr D. Mather and Mr H. Bhayat.

STAFFING MATTERS

The school wants to place on record our sincere thanks and gratitude to Ms Zohra Asmal for her services. She has taken up a new post in the Western Cape. On behalf of the Hartley family, we wish her well in her future endeavours.

Mrs Shahira Mohamed, the school secretary is on maternity leave. We wish her well during this period.

GENERAL CONCERNS

1. Leave taking has increased. Parents are reminded that learners who are sick should not be sent to school.
2. From Monday the school gates will be shut at 7h40, and late-comers will have to be sanctioned.
3. We will not accept delivery of lunches, projects, etc., as we do not have staff for this purpose. Should parents pay for a messenger, then we can review this.

ANA

Some classes have not written the ANA tests this year and will do so on 1 March 2016. Maths will be written in the morning, and English in the afternoon. This is merely for diagnostic purposes.

HARTLEY FAIR 2016

Preparations are underway for the much awaited calendar event scheduled for April 30 and May 1&2. Fair bookings open from 1 March. The fair is one of our major fund-raising activities that help us to keep school fees low. We are counting on your generosity and support.
